NOTE FOR: The Director

RE : Personal Invitation to DCI to Visit Japan

1. The New Year's Association--a prestigious private group of Japanese political and business leaders headed by former Prime Minister Kishi--continues to hope that you will be able to be the guest of honor and main speaker at its annual meeting on 21 January 1983.

2. About 300-400 of Japan's top leaders will attend. Ambassador Mike Mansfield will also address the group. He knows of its intention to invite a US Cabinet member as the principal guest.

3. If you are agreeable in principle, a formal invitation will be sent. The group would like to defray all your expenses.

FOR AMBASSADOR LEONHART

FROM [REDACTED]

dated 11 November 1982

STAT

Convey following to Leonhart: Have been in touch with Mr. Kishi who asked me let Mr. Casey know of his conviction that invitation to address large gathering important Japanese. could make significant contribution to understanding here of many aspects of cooperation between United States and Japan, including technical aspects if this is considered appropriate. However, if Mr. Casey cannot accept, Kishi knows that he realizes need for making another choice and so he would appreciate hearing from Mr. Casey as soon as he can make plans. Kishi asked me to make clear his hope Mr. Casey can accept and pleasure he anticipates in welcoming him.
